**Basics** - counts, steps and patterns you need to know in order to be able to dance.

**Lead & Follow** - Men, learn what it means to lead and how to lead. Women, learn what leads mean and how to be ready for them.

**Dancing to the Music** - Don't just do steps! Learn to listen to the music, move to the music and start at the right time.

**Contact with your Partner** - Learn what you need to know to be able to dance with your partner instead of just being there. It's a beautiful thing.
